Hello Alumni!

It was very nice to see everyone again at our first meeting of the new program year at Pebble Creek on November 6<sup>th</sup> after a long summer break. Admiral Vern Clark was an outstanding speaker. He tightly held our attention as he updated those of us in attendance on his views of our country's military preparedness to deal with the current global issues we face today.

If you were unable to attend our November meeting, I hope you will be able to attend the upcoming 2019 meetings. We will have other very interesting speakers, an outstanding comedian, and an opportunity for great socialization activities among the group. You will find further details and registration information later in this newsletter and on our Club website – [www.azgmalumni.com](http://www.azgmalumni.com).

As January approaches, we also note that it's time to renew our memberships in the Club. 2019 membership renewals are due January 1, 2019, with memberships becoming delinquent if not paid by February 1, 2019. The new 2019 Membership Cards will then be provided to all paid members in March. The 2019 Membership Renewal Form can be found on the website and is included for your convenience on page 8 of this Newsletter.

I would also like to welcome many new readers to our Newsletter distribution. Many Member Spouses have requested or agreed to have their emails placed on our email distribution list. This is being started to help keep all informed of what is happening with the Club and when. Should there be any other spouses or significant others who would like to be included also, please let me know through my email listed below, and I will be happy to add them.

Included in this Newsletter, you will find reflections on our previous meeting, updates on future activities, information about recent changes in GM Retiree Communications, our Club's involvement with the AWIM program, an alert for GMI (Kettering) graduates, and a recent death of one of our members.

I hope everyone had a very nice Thanksgiving holiday, and is now looking forward to a very Blessed Christmas celebration with family and friends, before entering the New Year with all that it will bring.

I look forward to seeing everyone again on January 16<sup>th</sup> at our first meeting of 2019 at the East Valley Institute of Technology (EVIT) Culinary Institute. Remember that you can always check the Club website – [www.azgmalumni.com](http://www.azgmalumni.com) – to keep up with any new calendar information on upcoming events and follow up photos from completed activities.

Enjoy!

Have you ever wondered how so many top-notch Club meetings come together? Your input and a healthy interest in offering well-planned events is the secret sauce. Each event is carefully planned and coordinated by a member of the Board. And, from my point of view, this is where they really show their commitment to our members.

Opportunities hatch frequently and communication between all ten Board members occurs just as rapidly. But it is the complementary skills, and dedication to the details, that makes this group so effective on your behalf. They are driven to sharing each event with you, Club Members new and old. Do you know of any other social group with such professional diversity (engineering, manufacturing, sales, legal, and more) that are bound together by a robust braid of shared career experiences?

There's plenty to do in this beautiful state of Arizona. Pam and I are very excited about the remainder of the programs on the 2018-2019 Event Calendar. And if you haven't already registered for the 2019 January, February, and March events, registration forms are attached for your convenience. April 2019 events are being finalized, and details will be available soon. Hal Hubbard will have registration forms for each event at all Club meetings, as well as membership renewal forms. You can renew your membership for 2019, sign-up for one or more events, and pay for it all with one check. Look for the Events table next to the Reception table when you come to the next meeting.

Do you have an idea for an upcoming Club event? Contact Alan Steffe, Club Secretary, at 810.513.3367 or at [alansteffe@yahoo.com](mailto:alansteffe@yahoo.com). Alan will quickly pass along your suggestion to the rest of the Board. So please share as much insight as you can provide. In fact, many of our events began with the input of a Club member. Most recently, the presentation by Retired Admiral Vern Clark on the "Issues Facing the U.S." was the initiative of Ken Wechselberger. Likewise, if you have feedback on a recent event, likes and dislikes, we would appreciate knowing that too.

We're already at work on ideas for the Calendar of Events for November, 2019 through April, 2020. So, if you have a suggestion for a future Club meeting, don't wait, contact Alan right away. Maybe you're even interested to help out with an event. It's a team effort, and there is always one more detail we'd like to cover if we had a few more hands.

Last but not least, I'd like to thank everyone who contributes to making our Club so enjoyable. Consistently, when someone is asked to help out, they do so with great enthusiasm, including the ladies at the reception table, who consistently offer the warmest welcome anywhere, and everyone who has volunteered as a photographer, greeter, and more. We thank you for sharing your time and talent. Are you interested to see Club photos? Just click on the ad for a previous event on our website at [www.azgmalumni/Calendar/PreviousEventsandPhotos](http://www.azgmalumni/Calendar/PreviousEventsandPhotos).

Likewise, if you get some good photos with the camera on your phone that you would like to share, I hope you will pass those on to Alan Steffe.

We hope to make contact with you soon. Until then, Pam and I wish you all much joy for the upcoming holiday season and look forward to seeing you soon.

## 2019 MEETING UPDATES - CONTINUED

Tuesday

March 12, 2019

**Lynn Roberts**  
Professional  
Comedian

In March, our GM Alumni Club of AZ will be returning to Rustler's Rooste in Phoenix to enjoy a true western cowboy meal experience of steak, chicken, corn, potatoes and all the fixin's. Following the meal, we are privileged to have entertainment and laughter provided by Lynn "Win" Roberts, a professional comedian. He will be entertaining us with his best "Bob Hope" comedy routine, accompanied by another "surprise" character for our entertainment.

Lynn has been performing professionally since the age of 14. He majored in music at the University of Nebraska and was a featured vocalist and instrumentalist with many bands including Russ Carlyle, Guy Lombardo, Jimmy Dorsey, and others. In 1964, Roberts started developing a musical variety act, playing more than a dozen instruments and singing. He began impersonating stars after hearing that he sounded or looked like them. Roberts' favorite impersonations are Bob Hope, Jack Benny, and Red Skelton among others. Lynn won a Cloney Award for his impersonation and tribute to Bob Hope in 2006. For the past 16 years, he has been touring the U.S. and Canada doing his tributes. On December 3, 2017 Lynn was presented with a commendation from the State of Michigan for his work entertaining Veterans nationally as a Bob Hope Tribute Artist.

You can view several samples of his comedy impersonations on his website at [www.lynnrobertsenterprises.com](http://www.lynnrobertsenterprises.com).

Cost is \$35.00 for members and \$40.00 for guests. Check-in will start at 10:30 a.m. with an open bar available and the comedian performing after lunch. **Registration is due by March 5, 2019.** A Registration Form can be found on page 11 and along with more event information on the Club's website, [www.azgmalumni.com](http://www.azgmalumni.com).

Tuesday

April 2, 2019

**Picnic-In-The-Park**

We will be closing out this program year on April 2, 2019 with a Picnic-In-The-Park. Planning is underway to have an event similar to that held two years ago at PebbleCreek's Sunrise Park, where everyone enjoyed a fun-filled day of laughter with games, team competition, cheering and, of course, a great barbeque. Actual location and details for this year's fun-filled event are still being finalized and will be posted on the Club's website as soon as they are finalized. Save the date and stay tuned for further details. You will not want to miss this final event for the year!

April ?, 2019

**Golf Outing**

The annual Golf Outing always produces a lot of camaraderie, fun and stories about *"the putt that should have gone in"* or *"the one that just missed."* This year will be no different. Bob Goebel is leading the charge to put together this year's outing in April. As soon as the date has been determined and additional details are available, we will be communicating through the Club website and future Newsletters.

Start putting your team together today and look forward to another fun event. Men and women are welcomed and encouraged to participate.

## NOVEMBER 6<sup>TH</sup> MEETING

Our November meeting started the year off with a huge success. Admiral Vern Clark's presentation at PebbleCreek's Eagle's Nest Ballroom held all in attendance spellbound as he discussed the challenges facing the United States military in light of what is happening in so many countries around the world today. The topic was of such interest, that many attendees were sorry we did not have more time for further discussion and questions.

More photos can be found on the Club website at <http://www.azgmalumni.com/previous-events--photos.html>.

## NOVEMBER 50/50 WINNERS

## OBITUARY FOR THOMAS KAIFESH (1932 - 2018)

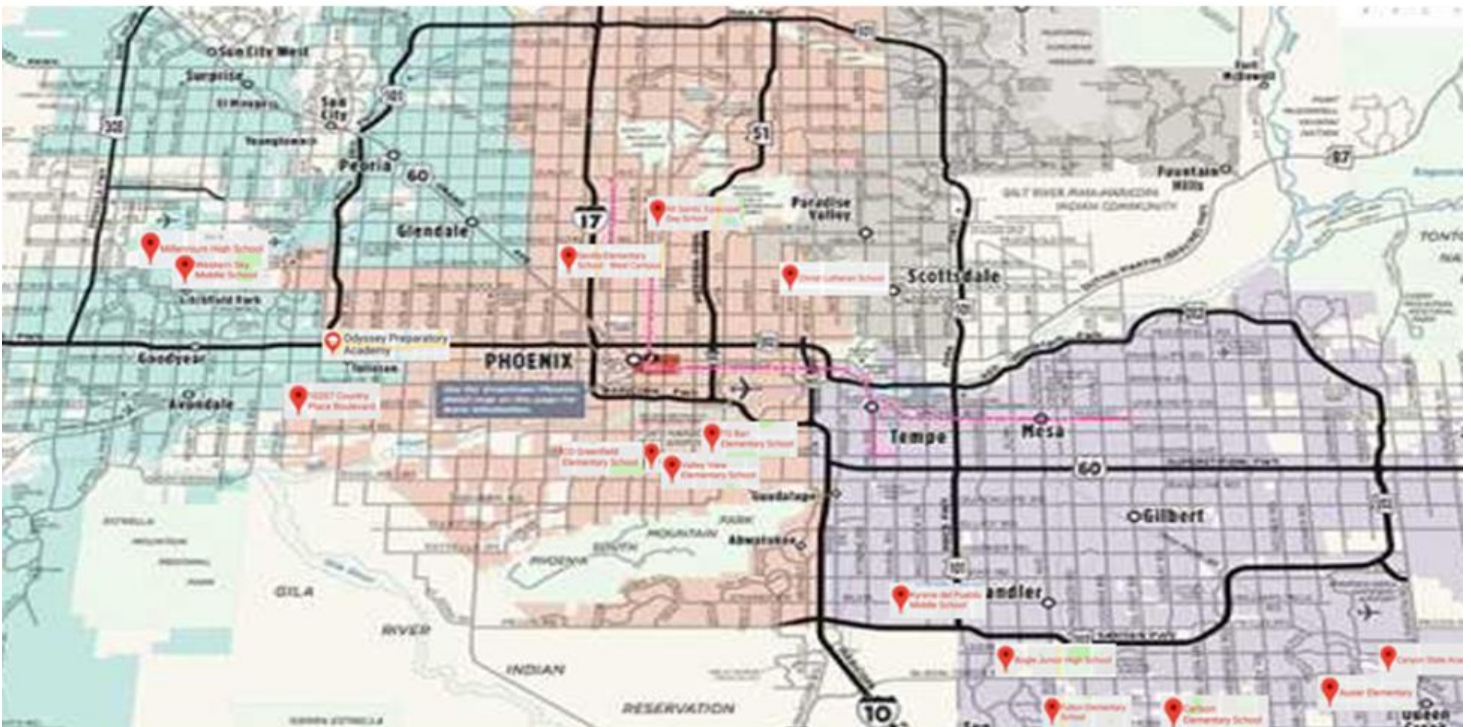

Thomas Kaifesh passed away from an apparent heart attack on September 12, 2018 in Sun City, where he resided with his beloved wife, Barbara, who survives him along with his 5 children, 6 grandchildren, and 5 great-grandchildren. Tom was a member of the GM Alumni Club of Arizona for many years after retiring September 1, 1988 from the Cadillac Detroit Conner Stamping Plant as a dedicated General Supervisor of Skilled Trades with 38 years of service to GM. Tom was an Army Veteran and served during the Korean War. He was stationed in Japan where he became a 3<sup>rd</sup> degree black belt in Judo. Tom spent many dedicated years helping veterans as All-State Commander and Post Commander at VFW posts in MI and AZ, while volunteering at the VFW and VA Hospital and earning many awards for his dedicated service to veterans and active military. He enjoyed stamp collecting and writing books, as well as the Arizona Retiree Club meetings and presentations from GM executives.

**GM ALUMNI CLUB OF AZ IS INVOLVED IN AWIM**

The *A World In Motion (AWIM)* program is a teacher-led program that joins teachers and STEM Volunteers to engage students in engineering design challenges in grades K-8. *AWIM* blends science, technology, engineering, and mathematics concepts through the Engineering Design Experience. It is an SAE International Program funded by the SAE Foundation with materials funded by General Motors Corporation.

The program was brought to Arizona in 2007 by GM and the GM Retirees Club of Arizona. We started with 2 schools and GM Retirees as Volunteers. In the 2017-2018 school year we were in 13 schools and impacted over 1,500 students. As we grow, we need more Volunteers. Now we recruit Volunteers thru schools, Rotary Clubs, and friends, in addition to members of the GM Alumni Club of Arizona and the GM Arizona Innovation Center. Once you volunteer, you become a strong supporter of the program. In 2017, ten volunteers received 10 year Volunteer Awards from GM.

For the 2018-2019 school year we have recently signed two new schools – Western Sky Middle School and Millennium High School – both in Goodyear, very near the Wigwam Resort complex. We have been recruiting volunteers from the PebbleCreek community, but could really use additional support from GM Alumni Club members. Dr. Mike Cagle, the Principal for Countryplace Leadership Academy in Tolleson, has been so impressed with the AWIM experience that his school is now in their third year with AWIM projects for every grade K thru 8 excluding 4<sup>th</sup>. The school recruits parents and older students to assist for the K thru 3<sup>rd</sup> grade programs, but our GM volunteers and new recruits support the more complex, but great fun, Grades 5<sup>th</sup> thru 8<sup>th</sup>. If you would like to Volunteer this school year, contact Ken Wechselberger for the West Valley and Don Robins for the East Valley (Chandler, Gilbert and Mesa).

## WELCOME OUR NEW GM RETIREE COMMUNICATIONS CONTACT

As we all know, Marsha Hall-Jenkins, our Corporate contact for GM Retiree Communications at GM Headquarters, elected to join the ranks of the retiree group in October. Our new contact is Kristie Distelrath. Kristie is very knowledgeable of our Club, since she has been working with Marsha for the past half year. We asked Kristie to provide some information about herself for our members, and here is what she has provided...

*"Hi GM Alumni of Arizona! My name is Kristie Distelrath, and I am looking forward to working with you all. I know I have some pretty big shoes to fill, but I am up to the challenge! Before working with GM, I worked in the sports and fitness industry doing Marketing and Public Relations for the Detroit Red Wings. I graduated from Oakland University back in 2016, but I do bleed green for the Michigan State Spartans. (go green!) I live downtown in Detroit, and love everything it has to offer, especially the food and sports! In my free time I do enjoy running, it's quite the hobby I have picked up over the past few years. On October 20<sup>th</sup>, I will be running my 4<sup>th</sup> half marathon. I always have a goal I am working towards, so running is the best thing for my health and mind. If you all have any other questions that you would like to know, please feel free to ask.*

*I would love to come and visit Arizona if my schedule allows me to, I have never been there!*

As a side note, Kristie has advised that GM is putting together a brand new GM Retiree website that will affiliate with gm.com. It will have all the same content as today in a new look with more features, while being available to GM Alumni as well. Watch for the announcement that this change has been implemented.

## NOTICE FOR GMI (KETTERING) ALUMNI

For all the GMI (Kettering) Alumni we have in our Club (at least 23 that we know of), we want to alert you to a visit to Arizona that they have planned for February 21, 2019. It will be a great opportunity to learn of the significant changes that have occurred at GMI in recent years and the great changes planned for the future. Watch your email for further information, or check out the Kettering link in their advertisement shown here.
