## EDITOR'S WELCOME

Happy New Year Alumni!

I hope everyone had a wonderful Christmas with family and friends, whether at home or wherever your travels may have taken you. Now that we have welcomed in a New Year, we look forward to rest from all the celebrations of the holidays. But before you get too comfortable, remember that your GM Alumni Club has some exciting events planned that you will not want to miss in the coming months.

On January 16<sup>th</sup> we will be meeting at one of the Club's favorite venues – the East Valley Institute of Technology's Culinary Institute – for an enlightening presentation on a significant current topic – Human Trafficking. You will find more information on this meeting on page 4, noting that the **registration deadline is January 7<sup>th</sup>**. February's meeting will be a Loyal Dealer Sponsored event at Arrowhead Cadillac's Dealership on February 12<sup>th</sup> with more information to be found on page 4. The March Meeting will find us enjoying ourselves at Rustler's Rooste with much laughter as 'Bob Hope' comes to entertain us in the person of professional comedian Lynn Roberts. You will find the details on page 5. April will bring a year-end picnic and our annual golf outing. Look forward to more information on these events in future newsletters.

As we now begin the 2019 Membership Year, you can look for your new Membership Cards to arrive in February to all paid-up members. They will include the updated listing of our GM Alumni Concierges at each of our Loyal Dealers. If you have not yet paid your 2019 membership dues, you can find a renewal application on page 9. Remember that you are also the best ambassadors to bring in new members to the Club. Please pass along a copy of the membership form to fellow GM Alumni you might know who are not currently members of the Club, and encourage them to share in the joy you are getting from your membership.

I look forward to seeing you on January 16<sup>th</sup>. Enjoy!

As I complete my year as Club President, Pam and I reflect on how this Club enriches our lives. At the core are the members and the unique connection we enjoy through our individual General Motors experience. Each time Pam and I share a table with new friends and old at a Club meeting, we're reminded of the similarities of our work/life experience – changes in assignment, moves to new communities, and how ever-changing technology shaped our lives beyond our expectations.

We're a friendly group, and we've grown as a club through the skills and knowledge of our members. The very fiber of our Club is a weave of informed and intelligent individuals. And we come together for the enjoyment of being with each other. We're progressive, and members offer suggestions and even volunteer their time to make this a first-class organization. I'm proud to tell others about our Club.

Most recently we received a request from a member's spouse to add their email to the newsletter and event distribution. This is a great idea. Immediately we began working through the membership list, contacting every spouse and significant other. We're still working our way through the list, making a personal call to each home. To date, we've added 45 emails to our distribution. We still have a few left to contact, and expect to have this wrapped up by the end of January. We're very appreciative of this suggestion as it goes a long way to strengthening the connections with everyone in our Club.

Another recent suggestion will make it easier for members to quickly verify whether they've registered for an upcoming event or renewed their membership. Starting December 2018, we began having "paid" lists at every meeting, in addition to a cash box on-hand for those who prefer to pay with cash (receipts are available). Feel free to stop by the Events table, located near the Reception table. Or contact Hal Hubbard at [hrrhubbard@sbcglobal.net](mailto:hrrhubbard@sbcglobal.net), or give Hal a call on 623.256.8938.

We have much to look forward to in 2019. New members continue to join us and will add much friendship and enjoyment to our Club. Ideas for venues and special speakers for our November 2019 – April 2020 meetings are already being collected. Including an update from GM Public Policy, most likely in 2020.

Last but not least, we are committed to stay informed on matters related to electrification and autonomous vehicles. Join us for the FREE meeting on February 12<sup>th</sup> to learn first-hand about hands-free driving in GM's new Cadillacs. Arrowhead Cadillac is our luncheon sponsor, and guests are welcome. Bring your friends and family and help us show off GM's "prestige" products. (Registration is due by February 4<sup>th</sup>). And don't be surprised if you see driverless trolleys on campus at the EVIT. Local Motors, near Chandler, has developed driverless eight-passenger shuttles they call "Olli". They are giving some away in a contest – two to EVIT to transport students around campus, as well as providing tours.

Pam and I wish you all a Happy New Year, and look forward to seeing you at the EVIT in January.

From the AZ Republic, December 10, 2018

**DECEMBER 6<sup>TH</sup> DINNER THEATRE EVENT**

On December 6<sup>th</sup>, the Arizona Broadway Theatre again put together a fantastic stage show – *Miracle on 34<sup>th</sup> Street* – along with an excellent meal. All the Club members and guests in attendance enjoyed themselves as has become the expectation over recent years. As Cathy Hanneman said, “We thoroughly enjoyed this event. The actors were first class as always at the Broadway Theater and as for my meal, the tri-tip, it was great. I can’t wait until we go there again.” Or as Tim Schlax stated, “The performance was fabulous; food was delicious; and the service staff were gracious and efficient. We’re looking forward to the next play.” As the following pictures show, everyone had a good time. More pictures can be found on the Club’s website at [http://www.azgmalumni.com/uploads/7/6/0/5/76050309/collage\\_for\\_website.pdf](http://www.azgmalumni.com/uploads/7/6/0/5/76050309/collage_for_website.pdf).

## 2019 MEETING UPDATES - CONTINUED

Tuesday

March 12, 2019

**Lynn Roberts**  
Professional  
Comedian

In March, our GM Alumni Club of AZ will be returning to Rustler's Rooste in Phoenix to enjoy a true western cowboy meal experience of steak, chicken, corn, potatoes and all the fixin's. Following the meal, we are privileged to have entertainment and laughter provided by Lynn "Win" Roberts, a professional comedian. He will be entertaining us with his best "Bob Hope" comedy routine, accompanied by another "surprise" character for our entertainment.

Lynn has been performing professionally since the age of 14. He majored in music at the University of Nebraska and was a featured vocalist and instrumentalist with many bands including Russ Carlyle, Guy Lombardo, Jimmy Dorsey, and others. In 1964, Roberts started developing a musical variety act, playing more than a dozen instruments and singing. He began impersonating stars after hearing that he sounded or looked like them. Roberts' favorite impersonations are Bob Hope, Jack Benny, and Red Skelton among others. Lynn won a Cloney Award for his impersonation and tribute to Bob Hope in 2006. For the past 16 years, he has been touring the U.S. and Canada doing his tributes. On December 3, 2017 Lynn was presented with a commendation from the State of Michigan for his work entertaining Veterans nationally as a Bob Hope Tribute Artist.

You can view several samples of his comedy impersonations on his website at [www.lynnrobertsenterprises.com](http://www.lynnrobertsenterprises.com).

Cost is \$35.00 for members and \$40.00 for guests. Check-in will start at 10:30 a.m. with an open bar available and the comedian performing after lunch. **Registration is due by March 5, 2019.** A Registration Form can be found on page 12 and along with more event information on the Club's website, [www.azgmalumni.com](http://www.azgmalumni.com).
