GM Alumni Concierge

Photos by Karen Schlax & friends

"It was wonderful getting reacquainted with our guest speaker, Sam Prabakaran, who I worked with many years ago when he was just starting his career at GM. Sam's presentation on Cadillac, it's recent past, present, and in the future was very informative and let our members know all the exciting things that will be happening at Cadillac. Many of our members that I talked with after his presentation, thought this was one of our best GM product presentations that we have had in a long time, as did I. I would like to personally thank Sam for a job well done."

**Jon Moss, GM Alumni Club of AZ**

"When we bought a new Cadillac the people at Arrowhead were excellent. They gave us all the time to look at the different Cadillacs. It was like he had no other person to be with. They were super to work with and couldn't have been any nicer."

**Rosemary & John Kovacevic,**  
GM Alumni Club of AZ

"A year ago we bought our 2018 Platinum XT5 from Arrowhead Cadillac. Mike Scarfia, an Arrowhead sales manager, insured that everything was smoothly handled. My wife, Cathy, truly enjoys all of the enhanced comfort and conveniences her XT5 provides. The only reason her XT5 has been back to the dealership was for scheduled maintenance. It has truly been a great trouble free vehicle.

Robyn Schluter, our GM Alumni Concierge, recently arranged a CT6 demo. I took it home and did a thorough city & highway evaluation. Amongst the long list of comfort and safety features the CT6 demo had was Super Cruise. Cadillac is the first to offer this hands free driver assistance feature. Using it on the 303 and 101 was great even in commuter traffic. I've ordered a 2019 CT6 and can't wait to get behind the wheel."

GM Alumni Club of AZ

## Cadillac with Super Cruise Hands Free Driving

Hands free Super Cruise works only on specific highways, those with at least four lanes of traffic, that have limited access, and have no cross traffic. GM has mapped more than 160,000 miles of these highways across the U.S. and Canada in preparation for Super Cruise.

"It was a beautiful Arizona day to see such a variety of Cadillac & LaSalle classic vehicles. The cars were displayed at Arrowhead Cadillac by guests of the GM Alumni Club of AZ and members of the Cadillac & LaSalle Club – Sonoran District. They were intermingled with many beautiful current Cadillacs and it was so neat to see how the vehicles had changed from year-to-year, all different shapes and sizes, yet maintaining the Cadillac standard of excellence."

**Val & Bill Crump,**  
GM Alumni Club of AZ

"We loved seeing the vintage cars on display at Arrowhead Cadillac. They were wonderful reminders of the many changes over the years especially in size. We miss the hood ornaments!"

Enjoy good times with friends, new and old, as we share our individual legacy with General Motors while experiencing the rich bounty of Arizona.

Sharing events with people who also have an affinity for General Motors.

Friends coming together who share common experiences and background.

GM Executive presentation and insight on  
21<sup>st</sup> century technology.

Lynn "Win" Roberts has been performing professionally since the age of 14. He majored in music at the University of Nebraska and was a featured vocalist and instrumentalist with many bands including Russ Carlyle, Wayne King, Ted Weems, Guy Lombardo, Jimmy Dorsey, and Peter Palmer.

In 1964, Roberts started developing his musical variety act, playing more than a dozen instruments and singing. He began impersonating stars after hearing that he sounded or looked like them. Roberts's favorite impersonations are Bob Hope, Jack Benny, Red Skelton, Jimmy Durante, W.C. Fields and Frank Fontaine as Crazy Guggenheim. He also does impersonations of band leaders with his instruments.

Roberts won a Cloney Award for his impersonation and tribute to Bob Hope in 2006, the Bea Foggelman Lifetime Achievement Award in 2009, and the Lifetime Achievement Award from the American Federation of Musicians in 2012.
