EDITOR'S WELCOME

Hello Alumni!

Fall is here! It's time to get back together as a Club. We'll renew friendships and catch-up on all the summer trips and activities friends have enjoyed. Join us and participate in exciting events with speakers and activities put together by your Board of Directors – all while enjoying a special camaraderie with friends and a tasty meal.

Liberty Buick and Liberty GMC are sponsoring our first meeting of the program year with a **free** Dealer-Sponsored luncheon at Palmbrook Country Club on **November 5, 2019**. Due to a job change and relocation of our original speaker, Dennis Wagner, there has been a very recent change in speakers and topic for this event. Our new speaker will be Arizona Historian, **James Turner**, speaking to us on **'Museums of Arizona – A Virtual Pictorial Tour 36 Attractions.'** More information on James Turner can be found on page 3. Join us to learn more about this very interesting and useful topic. Submit your registration form found on page 9 today.

We are privileged to have five loyal GM dealers in the Phoenix area with whom we share mutually beneficial advantages. Note the article on page 6 sharing more detailed information about Liberty Buick and Liberty GMC – the sponsors of our November meeting.

On December 5th, we will meet at the Arizona Broadway Theatre for a five-star professional musical performance of **Elf The Musical** and a wonderful meal. Since early commitments for this performance are required, make sure you submit your registration form **by November 8th**. More information about this production can be found on page 4 and a registration form on page 10.

More information concerning these and the remaining meetings for the year can always be found on the Club's website, www.azgmalumni.com. Check it frequently to get the latest information on upcoming activities and meetings, meeting registration forms, and pictures from past meetings and events.

Read about our new member, Pete Langenhorst, in an interesting article beginning on page 7. It's amazing what talented and diverse members we have.

Also, with the approaching end of 2019, it is time to renew your Club membership for 2020. Memberships run through the calendar year, and are due January 1. A Membership Renewal Form can be found on page 11.

I look forward to seeing everyone on November 5th! Enjoy!

How many Club meetings have you already put on your calendar for the coming year? When I attended my first Club meeting the fall of 2013, I was working full time. Six months later, I'd chosen retirement and began attending 4-5 Club meetings per year. I quickly found that everyone was very interesting and the Club offered the opportunity to visit places Al and I knew very little about. Better yet, we would visit as a group.

Last year, Al and I attended all six regular meetings, the golf outing, and the Autonomous Vehicle Update from GM Public Policy. We will attend all Club meetings again this year. Why? Because each meeting is well-planned, free or reasonably priced, and the speaker or venue is always worth bragging about. Better yet, I enjoy seeing every one of you. Think you're not missed when you don't attend? Think again.

How does it happen that each year the Club's meetings get better and better? A few years ago, many of you responded to a survey with several great ideas. These suggestions are continually reviewed by the Board for cost, timing, and location. Once an event is scheduled, we wait to see how many of you register. Your registrations confirm if we made great choices. Registration forms and event details are included in this newsletter. We're always hopeful you'll register ASAP.

What's your favorite aspect of the Club? Please stop by and see me at the next Club meeting and let me know. Or give me a call any time on 810.280.1399 and let's chat.

See you soon,

Roxanne Steffe

2019 – 2020 PROGRAM YEAR CALENDAR

Over the summer, your Board of Directors has been finalizing the programs for the 2019 – 2020 Program Year. A few changes had to be made from the preliminary program shared last spring, and a recent change was made for the opening meeting in November. Below you will find the final plans for the year. Some individual details are still being finalized, but we can assure you an outstanding lineup of speakers and activities. Save the dates as noted below, and cut out the Meeting Schedule found at the bottom of page 4 for a quick and handy calendar reference. Plan now to enjoy another great year of activities and socialization with fellow Club members. Check the Club website – www.azgmalumni.com – frequently as new information will be posted there as it becomes available.

**James Turner,
Arizona Historian,
will be speaking on
the topic,
“Museums of
Arizona – A Virtual
Pictorial Tour 36
Attractions**

The Club's new 2019 – 2020 Program Year will begin with a **free** Dealer-Sponsored event at Palmbrook Country Club on **November 5, 2019**. **Liberty Buick** and **Liberty GMC** will be hosting this event, and the speaker will be James Turner, Arizona Historian.

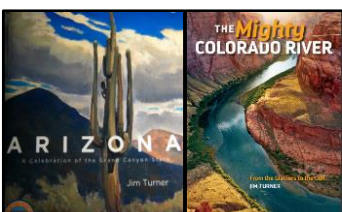

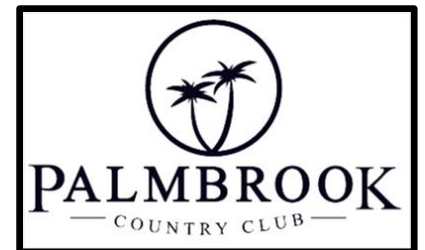

We learned last week that Dennis Wagner, AZ Republic journalist, who had been scheduled to speak to our group in November on the topic of “2,000-mile Journey in the Shadow of the Wall,” accepted a new position with *USA Today* and has relocated to San Diego. So the Board got busy to find a notable replacement. The possibility of scheduling the famed Arizona Historian quickly became reality.

Mr. Turner recently retired from the Arizona Historical Society, where he was Field Services Officer. His responsibilities included visiting and supporting more than 70 museums throughout the state. He enjoys sharing his incredible insight on the special features and unique qualities of each.

We've selected **“Museums of Arizona – A Virtual Pictorial Tour 36 Attractions”** as something of interest for everyone, not to mention input for future Club excursions. We'll have input cards on each table so you can identify those museums of greatest interest to you.

James' credentials include a Masters degree in U.S. History and a Bachelor's degree in Secondary Education, both from the University of Arizona. Several of his publications can be found on Amazon, in addition to contributing to many Arizona historical articles over the years. He resides in Tucson, is on staff at the U of A and Pima Community College, and serves as guest lecturer for the Arizona Historical Society and the Western National Parks Association, to name a few. We're looking forward to learning more about our beautiful state through knowledge acquired by James' lifelong passion.

November will be upon us very soon, so sign up now using the Registration Form on page 9, and look forward to a very informative presentation with an opportunity to get questions answered that you might have. We will be promoting this event through Facebook, and seating will be limited, so sign up now to assure your attendance.

GM DEALERS SHOW THEIR LOYALTY – LIBERTY BUICK & LIBERTY GMC

Our Club benefits from an extraordinary roster of relationships with five premier GM dealerships in the Phoenix Valley, who are loyal to our Club. Dealer-hosted luncheons, red carpet treatment of Club members via the Alumni Concierge program, product presentations by GM executives, and promotion of our Club with their customers/GM retirees are just a few of the advantages we enjoy beyond the 2,000+ salaried GM Retirees living full-time in the Greater Phoenix Valley. See the full roster of our loyal dealers at <https://www.azgmalumni.com/partners.html>.

While each of our loyal dealers share the finer qualities of the Valley's top performing GM dealerships, let's take a closer look at the qualities that set **Liberty Buick** and **Liberty GMC** apart from those dealers not affiliated with our Club. In fact, **Liberty is the gracious host for our November 5th luncheon meeting at the beautiful Palmbrook Country Club**. Paired with an insightful presentation by AZ Historian, James E. Turner, all will depart feeling more than delighted with an always phenomenal meal provided by Liberty and a presentation on "*The Museums of Arizona – A Virtual Pictorial Tour of 36 Attractions*." (See related article on James Turner, our presenter, on page 3).

Liberty consistently gives back to the community through philanthropy and events that bring people together and is genuinely a good citizen and social caretaker. The evidence illustrates their generosity to make life more enjoyable for others. Whether it's contributing to a breast cancer fundraiser, or a fun-filled BINGO game in the lobby of their Buick store (including delicious treats), Liberty willingly spends their resources to create joy for others beyond the sale of a vehicle.

Whether you're a sales or service customer, driving a Buick or GMC, Liberty intently covers all the bases on each visit. And, if you're a member of the GM Alumni Club of AZ, your alumni concierge is well-positioned at the upper echelon of the organization. They make sure you get connected with the right people to address your need.

Are you considering purchasing a new Buick or GMC in the future, or on the hunt for a dealership where your service needs are addressed with your satisfaction in-mind? You'll want to attend the November 5th Club event (a copy of registration form is included in this newsletter). Members of Liberty's leadership team will be in attendance, and you'll have the opportunity to check out new vehicles on display, exclusively for you, at Palmbrook. You can easily put yourself on a first-name basis with Liberty's attentive sales personnel. Not currently a member of the GM Alumni Club of AZ, or have a friend who can benefit, here's the opportunity to experience member benefits while enjoying a first-class lunch and a phenomenal presentation. Guests are welcome. Register by October 28th. Seating is limited for this free luncheon and presentation.

November, 2017 Club President-elect Dennis Powers and wife Pam enjoy getting to know Autumn Henderson, General Manager Liberty Automotive, Justin Sgro, General Sales Manager – Liberty Buick, and Chris Scott, General Sales Manager – Liberty GMC.

MEET CLUB MEMBERS – PETER & BETH LANGENHORST

Say “Hello” to **Peter & Beth Langenhorst!**

Pete was born in Wyandotte, Michigan and raised in Trenton, Michigan. He is the youngest of five siblings, all older sisters. He basically grew up as an only child since his sisters

had all moved away from home during his early childhood. But he is very close to them all to this day.

Pete graduated in 1977 from Gabriel Richard High School in Riverview, Michigan. He kept busy as captain of the football team, captain of the baseball team, and the lead actor in the school play, *Music Man*. Pete received the Father Gabriel Richard Award for his high school achievements.

After high school, Pete’s undergrad college days were spent at John Carroll University in University Heights, Ohio, where he earned a Bachelor of Science in Economics degree in 1981. Pete was captain of his college baseball team, and more importantly, he met and dated his future wife, Beth, while at John Carroll University. Graduate work in Marketing and Finance was completed as a GM Fellow at the University of Virginia’s Darden School of Business in 1987.

Through the years Pete’s education continued through management and executive programs at the Massachusetts Institute of Technology, Northwestern University Kellogg School, The Wharton School at the University of Pennsylvania, General Motors University, and the Walt Disney Customer Service Program.

Pete started his just shy of thirty-six year career with General Motors in 1981. During his tenure with GM, his experiences spanned various positions in numerous locations. He was a Market Planner at Pontiac, launching the new Bonneville; a Strategic Market Manager at Opel, launching the

New Corsa in sixteen European countries; a Brand Manager at Oldsmobile in Lansing, Michigan, launching the Silhouette with video player in the U.S.; a Marketing Director for the launch of the Venture Van with Chevrolet in Detroit, Michigan; a Marketing Director for the launch of the Cobalt with Chevrolet Small Cars in Detroit, Michigan; a Retail Advertising Director as architect for the National Retail Advertising Strategy for Chevrolet Marketing in Detroit, Michigan; a Western Region Marketing Director, administering a thirty million dollar media and promotion budget for Buick/Pontiac/GMC Brands in Thousand Oaks, California; and a Regional Zone Manager for Phoenix/Desert Zone, managing sales and service activities in the second largest territory with Chevrolet Division in Phoenix, Arizona. Pete retired from General Motors in 2017.

After retiring from GM, Pete worked as COO for the Bradley Auto Group in Lake Havasu, Arizona. While with the auto group, Pete oversaw the challenge to increase sales in both new and used vehicles for

the group’s five stores. He developed and launched a new digital marketing campaign for the group’s Lincoln, Ford and Chevrolet dealerships.

Many accomplishments can be claimed by Pete during his employment, successful vehicle launches, achieving budget efficiencies while expanding dealer traffic that nurtured increased vehicle sales, implementing corporate and sports team sponsorships, partnering with ad agencies, building promotional slots for TV and overall operations management. And while Pete can boast of these business related accomplishments, he also has “out-of-the-office accomplishments” to boast about –

MEET CLUB MEMBERS – PETER & BETH LANGENHORST (CONTINUED)

Fiesta Bowl Committee Member, Yellow Jacket (Life Member); NFL Game Day Assistant (Green Hat – keeps time outs on the field) for originally the Detroit Lions, and now the Arizona Cardinals; and Chairman of the Finance Committee for St. Rose Parish.

Pete is married to his college sweetheart, Beth. They have three children, one girl and two boys plus a 2 year old grandson, from their daughter. Beth was born in Pittsburgh, Pennsylvania, grew up in the Pittsburgh and

Erie areas as the oldest of four girls and one boy. She worked as a CPA for various accounting firms as the couple moved about with Pete's GM work assignments. Pete's pastime activities include outdoor sports and collecting signed football helmets, while Beth has a love for music, which led her to open a successful music school in Anthem, Arizona in 2010. Beth sold the school in 2013, and the business still runs strong to this day. Pete and Beth reside in Phoenix year-round, but travel across the country to their children's homes in Atlanta, San Francisco, and South Jersey (opposite Philadelphia) to enjoy keeping up-to-date with family happenings. So, when you see Pete and Beth at one of our club events, stop and say **"Hello"**.

*Bob Adkins, Sub-Director for Membership Development Activities, continues to produce outstanding interviews of our members in the hope that these will give everyone a better insight into the makeup of our Club. I'm sure you will enjoy this information and note the depth and breadth of experiences our members have. Here you have read Bob's interview conducted with the Club's members **Peter & Beth Langenhorst**. Use this introduction as background as you interact with Peter & Beth at future meetings and get to know them better.*
