EDITOR'S WELCOME

Hello Alumni!

What a pleasure it was to see all of you who attended the Sands Chevrolet luncheon on November 10th. You could tell everyone was very happy to be there and see other Club members by the social interactions taking place throughout the room. It was the first opportunity for some to interact with other friends in nearly two years due to all the recent pandemic concerns. Hopefully, this excitement will continue as we continue with the programs planned for the remainder of this

Program Year. A summary of the November luncheon can be found on pages 3 through 5.

Details for the remaining activities planned for January through April are found on pages 5 and 6. January's luncheon at the East Valley Institute of Technology will include a very interesting speaker addressing today's journalism issues, and as we all know, there are many concerns on what has happened to the news media and their reporting in recent years. Join us on January 12th to hear Kristy Roschke's presentation and get your questions answered regarding factual news reporting. More details can be found on page 5, with latest program details always available on the Club's website: www.azgmalumni.com.

It should be noted that at the Special Membership Meeting called for November 10th, the membership voted to approve revisions to the Club's Bylaws. An explanation of the changes that were approved can be found on page 9.

As we are now quickly approaching the end of another calendar year, I hope that everyone has had a very good Thanksgiving celebration and is looking forward to the upcoming Christmas and New Year's celebrations. I look forward to seeing some of you at the December 9th production of *Elf, The Musical*, as we get into the mood for the Christmas season. With that in mind, let me wish all of you a very Merry Christmas and a Happy New Year.

I look forward to seeing everyone again in 2022 at the January 12th luncheon meeting at the EVIT. Again, remember that I always welcome your thoughts and comments to enhance your enjoyment with future newsletters.

Enjoy!

**PRESIDENT'S MESSAGE**

Greetings GM Alumni,

The Holiday season is upon us! By the time you read this, Thanksgiving will have already come and gone. I trust you all had a wonderful Thanksgiving with family and friends, sharing in laughs and stories that make every Thanksgiving a joyful time.

Speaking of giving thanks, I want to thank all of you that came out to our free luncheon at the Sands Chevrolet Store in Surprise. It was great to see so many of you! It was a long time in the making, and our first event of the 2021-22 club season was terrific. We took care of some club business, had a delicious lunch, witnessed an informative presentation by Robert O'Connor on the latest and greatest of Chevrolet, and shared conversation and laughs with our fellow club members. Thanks to all of you that participated in our club event.

As we prepare for the Christmas holiday, I want to remind you that our next club event is at the Arizona Broadway Theater on Thursday, December 9th. The musical ELF will be delightful entertainment and a pre-season highlight as we start to bring out our Christmas decorations.

Please review all the upcoming club events and add them to your calendar! We'd love to see everyone participate in the activities of the club and share its comradery. Don't forget to send in your club dues! Thank you in advance.

If I don't get to see you, have a very Merry Christmas and a wonderful start to the New Year. Stay well and healthy!

2021 - 2022 MEMBERSHIP RENEWAL

After waiving Club membership dues last year, the Club is now reinstituting membership dues renewals on a Program Year basis rather than a calendar year basis as was past practice. This aligns the dues with the events planned for the November through April program year. Therefore, membership renewal is now due on November 1 of the current year and runs through October 31 of the following year. You will find the **Membership Renewal Form** on **page 14**, and we ask that you return it with your payment in a timely manner, since membership becomes delinquent if not paid by December 1. Thank you for your understanding and prompt response.

"AMBASSADOR PROGRAM" ANNOUNCED

At the November 10th Club Meeting at Sands Chevrolet, Club President, Peter Langenhorst, unrolled a new program to enhance the relationship between the Club members and our eight Loyal Dealers – the Ambassador Program. It aligns each of our Loyal Dealers with a member of the Club's Board for the purpose of promoting regular, direct, two-way communication between the organizations. This will enable the Club to keep you, its members, better updated on what is happening at our Loyal Dealers – awards, special activities, promotions, incentives, etc. One way of doing this will be through a new special section in newsletters – the Ambassadors' Corner. Additionally, if a member has questions about a certain dealership or person to contact, they can contact the appropriate Board member for their assistance or support.

Ron Terry, Club Ambassador for **Sands Chevrolet** dealerships, reports that he *has "been able to visit both Sands Chevrolet locations in the past month and has been very impressed with their operations. I think the last time I was at a Sands dealership was when my father purchased a Lumina Euro. (How many of you remember that car?) If you are a Corvette lover, you need to stop by the Surprise store and walk through the showroom. There must be 20 vintage Corvettes on display. Both dealerships have a significantly lower than usual inventory due to the computer chip supply which has affected all the auto manufacturers. So if you are looking for a vehicle, let them know what you want and be patient."*

CLUB MEMBER FEATURED SPEAKER FOR LIFELONG LEARNING SESSION

On November 16, 2021, Club member Jon Moss was the featured speaker at the Valley Presbyterian Church's Lifelong Learning series in Paradise Valley. Jon's topic was *The Man Behind the GM Toy Box*, with many from the Club in attendance.

Jon shared his personal experiences that enabled him to prepare for his dream job in GM's Special Vehicles Group. He highlighted several of his significant projects – Production-based concept vehicles, Performance vehicles, Police cars, and Pace cars to name a few. Jon referenced many interactions with various celebrities – Roger Penske, Jay Leno, Tim Allen, Greg Norman, General Chuck Yeager – as well as NASCAR greats – A. J. Foyt, Dale Earnhardt, and others.

All in all, Jon captured the attention of not only the car enthusiasts in the audience, but all in attendance, while also responding to many diverse questions. Rumor has it that there might be a follow-up presentation in the future. Stay tuned.

Great job, Jon. The Club is very proud of you!

CLUB BYLAW CHANGES APPROVED

At the Special Meeting held prior to the Sands Chevrolet luncheon, the proposal to modify the Club's Bylaws to change the length of the terms of the elected officers from one year to two years, reduce the number of past presidents serving on the Board from four to two in conjunction with the extended terms, and allowing the Club to use credit card payments was approved unanimously by the 32 voting members in attendance.

This means that the Club Officers for calendar year 2021 will continue in office through 2022:

- Peter Langenhorst – President
- Jim Hall – Vice-President
- Trevor Martin – Secretary/Treasurer

and the two recent past presidents supported by sub directors for registration, special excursions, and other will remain on the Board.

A Nominating Committee will be appointed by the President in November 2022 to appoint candidates for Officers for the 2023 and 2024 calendar years.

The updated Club Bylaws are available for review on the Club's website: [By-Laws - GM Alumni Club of Arizona \(azgmalumni.com\)](http://By-Laws - GM Alumni Club of Arizona (azgmalumni.com))
