EDITOR'S WELCOME

Hello Alumni!

Welcome to the New Year 2022! I hope everyone had a very satisfying holiday period and is ready for this new year.

The Club started the year off with a very interesting and informative presentation on January 12th by Kristy Roschke Ph.D., Managing Director of the News Co/Lab in the Walter Cronkite School of Journalism and Mass Communication at Arizona State University, as she covered the topic of *"Making Sense of Media: Misinformation and Media Literacy in the 21st*

Century." All in attendance went away with a better understanding of the differences of Information, Misinformation, and Disinformation from what we read or hear regularly today in print, on TV, and on social media. Pictures from this event can be found on pages 5 and 6.

The Club has three remaining events planned for the 2021 – 2022 Program Year. Details of these events can be found on page 7. February 8th will find us touring the Western Spirit: Scottsdale's Museum of the West, following lunch at the nearby Buca di Beppo. The March meeting at Gold Canyon with Sheriff Mark Lamb of Pinal County as our speaker is now scheduled for March 22nd due to the availability of Sheriff Lamb. Please note the change in date. Also, note that a bus will be available for residents from the west valley from Arrowhead Cadillac for transportation to and from Gold Canyon. The program year will conclude with a tour of the newly relocated and expanded Martin Auto Museum on April 6th.

As events of this type are planned by the Board, early commitments are often required by the venues. To aid in providing a successful and cost effective activity, it is very helpful and beneficial to the event planners to get early registrations from the attendees. Therefore, I would encourage you to put the dates of these events on your calendars early and register for events as early as you can.

Be sure to check out the Ambassador's Corner on pages 8 and 9, where you will find the latest happenings, specials, and activities at our Loyal Dealers.

I look forward to seeing everyone again at the February 8th luncheon meeting and tour of Scottsdale's Museum of the West. Again, remember that I always welcome your thoughts and comments to enhance your enjoyment with future newsletters.

Enjoy!

**PRESIDENT'S MESSAGE**

Greetings GM Alumni,

Welcome to 2022! The year is off to a great start, and to think we are nearly done with January is hard to believe. We just finished our third event for the club at the EVIT School last week, and what a luncheon it was with our outstanding guest speaker Kristy Roschke, Ph.D., from the Cronkite School at ASU. For those of you who attended, the topic was "Making Sense of Media". It seemed that Kristy could have talked all afternoon about the media and how it affects each of us differently. In fact, it certainly generated many interesting questions and discussion points. In addition, the lunch that was prepared and served by the students of EVIT was delicious, too. Thanks to Alan Steffe for arranging such an interesting and informative speaker.

I hope you all have your calendars marked for our next GM Alumni event at the Western Spirit: Scottsdale's Museum of the West on February 8th. This will be another wonderful outing. I have yet to walk through this museum of wild west artifacts, but I am told everyone who lives in the western U.S. should have this on their bucket list. Please join us for the fun which starts with lunch at Buca di Beppo (check in is at 10:45-11:00am).

As I reflect on what the mission of our club is all about, getting together to share in events that give us comradery as well as a learning tool for something new, it hits at the heart of what this board tries hard to accomplish each year. With our upcoming events in February, March and April, we have just three more times to get together for the 2021-22 event season. Please remember that you are free to bring along guests from your social group that may want to enjoy participating with you at these events.

As a reminder, if you have suggestions on future events, please reach out to any of our board members to give us your thoughts.

Until we meet again at the Western Spirit: Scottsdale's Museum of the West, stay safe and healthy.

The Sands Chevrolet dealerships continue to persevere with the shortage of vehicles from GM. They are finally starting to see a slow improvement in their inventory (still only at 5% of pre-pandemic levels) with 60-70% of new vehicles being sold prior to delivery. For those of you that work on your own vehicles and need to buy factory parts, Sands has an online parts ordering presence. You can find the parts you need at [Genuine GM® Parts and Accessories](#) | [GMPartsOutlet.net](#) | [OEM GM Parts](#), and can save 30-40% off of the retail price.
